Vision

To be a leading security partner in India, recognized for reliability, professionalism, and service excellence while becoming the preferred workplace for committed security professionals.

Core Values

Integrity, Dignity & Respect,
Professionalism, Innovation,
Responsibility, Humility & Empathy,
Passion & Commitment

OUR TEAM

MR. Amanullah Khan

Director

Amanullah Khan is a commercially astute Security professional who has a general range of executive, managerial skills combined with a proven track record of delivering tangible strategies to business for last 28 years (20 years had been at Senior Management Level). He holds national and international experiences across Asia, North America, Central America and Europe.

He has a proven track record covering airport security, Hotel industry Security, International Cruise ship Security, Retail Security, Supply chain Management Security. He has holistic, strategic leadership across physical, cyber, and personnel security, defining vision, managing large teams, developing enterprise-wide policies, driving risk management, ensuring compliance, leading incident response team and liaising with law enforcement agencies at the topmost level. He is a mentor, and lead and guided high-performing, potentially global, security teams. He has broad knowledge across physical, cyber, and information security domains. His ability to see the big picture and integrate security into business processes come to him due to his knowledge in Security Software, Systems and Data Analytics.

Amanullah is a Certified Security Consultant who has done CFE on line, CSCSS, TCC, FSR, TSR, certified Auditor course from Tapa Singapore, CPP from ASIS USA, IOSH from UK, Crowd and Crisis Management from Star Centre Miami USA, Forensic Cyber Investigator online course.

MR. Bharat Bhagwania

Director

Mr. Bharat Bhagwania is an accomplished security and operations leader with extensive experience in business development, loss prevention, health & safety, and regional security management. At Agnira Security & Facility Pvt. Ltd., he drives strategic growth while overseeing end-to-end operational excellence across service verticals.

Before joining Agnira, he served as Senior Manager – Security (West Region) at Delhivery Limited, leading security, loss prevention, health & safety, and investigations across Maharashtra, Gujarat, and Goa. He played a pivotal role in safeguarding high-volume logistics operations and building robust risk-management frameworks for the region.

Previously, Mr. Bhagwania worked with Booker India Pvt. Ltd. (Booker Group Plc, UK) as Manager – Loss Prevention (PAN India), where he managed vendor operations, conducted nationwide store audits, ensured compliance with safety and security SOPs, supervised stock-take processes, and coordinated with local authorities including police, fire brigades, and regulatory bodies.

With a strong background in multi-location leadership, process governance, and security intelligence, Mr. Bhagwania continues to drive operational resilience and service excellence at Agnira Security & Facility Pvt. Ltd.

MR. Sushil Marathe

Director

Mr. Sushil Marathe is a seasoned Security, Safety, and Administrative Leader with over 15 years of experience in strengthening organizational security, managing risks, and ensuring operational excellence. He has led comprehensive security operations, crisis management, and compliance initiatives across diverse industries, implementing customized policies, vulnerability assessments, and loss-prevention systems.

Certified in CSCSS and TAPA-TCC (Singapore), with specialized training in Civil Defense, Industrial Firefighting, and Emergency Response, he combines technical expertise with strong team leadership to optimize security infrastructure and operational workflows.

At Agnira Security and Facilities Pvt. Ltd., he drives strategic security direction, client consulting, and organizational development, delivering innovative, reliable, and compliant security solutions while fostering service excellence and long-term growth.
